PEMBERVILLE, OHIO
VOLUME XXII*

FACULTY

The 1979-80 school year is the first year for Larry Busdeker as the high school principal. Mr. Busdeker has previously taught classes in the Findlay City Schools. He was also high school principal in the Liberty-Benton School system. Mr. Busdeker graduated in 1966 from Eastwood High School and obtained a B.S. in 1970 and a Master of Education from B.G.S.U. in 1975. He and his wife Janelle have two children, Lance and Lindsey. Mr. Busdeker commented, "I thoroughly enjoy Eastwood due to the cooperative, dedicated, concerned staff members, exceptional people doing exceptional things, and the outstanding potential of the AA high school." Some of the policies which he instilled this year were the new attendance policy, student action committees, lunch with the principal program, and restructuring of the curriculum. All of the programs have appeared to be successful. Lastly, Mr. Busdeker said he would like to continue to improve the total instructional program to make the student a responsible citizen.

There have been some changes in the athletic department this year. Mr. Heckman is the new athletic director and he is doing a fine job. Mr. Whalen has taken the position of head football coach and the new boys' basketball coach is Mr. Bruning.

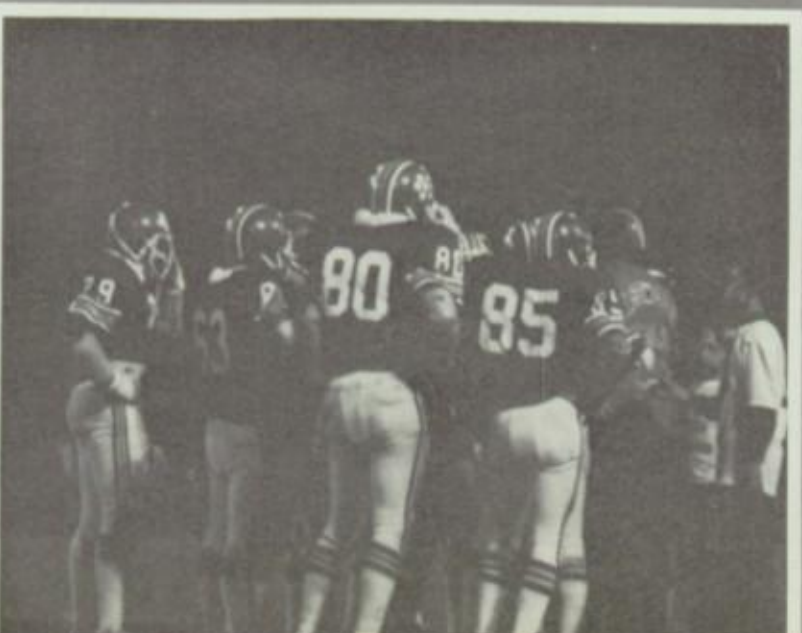

SCHOOL LIFE

The citizens of the Eastwood School District went to the voting booth this past fall to keep the schools open. On the ballot was a 6.5 mill operating levy and a 2.32 mill building improvements bond issue. The students faced either school closing down when the money ran out for the year or having to cut all extra-curricular programs in order for them to stay in school. With Dr. Ted Bowlus and Mrs. Sue Poggemeyer acting as co-chairman, many committees were formed to inform the public of the issues. The 6.5 mill operating levy passed by 57% of the vote and the 2.32 mill bond issue passed by 53.4% of the vote.

The entertainment world kept outdoing itself so it was hard for one movie, song, or artist to stay on top. The few outstanding moves were Star Trek, Rocky II, The Muppet Movie, and the Deerhunter. Many student's radios were tuned into the hit songs of Donna Summer and Kenny Rogers.

The halls of Eastwood this year were very colorful with bright, bold colors. Sweaters were still the most popular with straight leg jeans and high heeled shoes. Straight skirts with slits and wool jackets were the high fashioned dress apparel. The curls were also back. Perms seemed to be the top style and the easiest to manage. The West came back for the guys at Eastwood. Cowboy hats, pointed toe boots, and an expensive belt buckle caught the attention.

PENTA

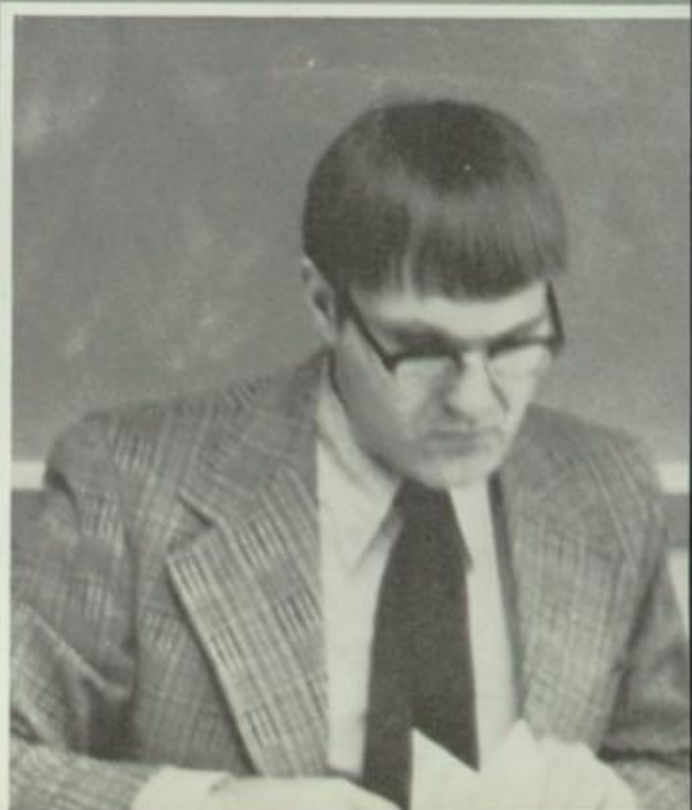

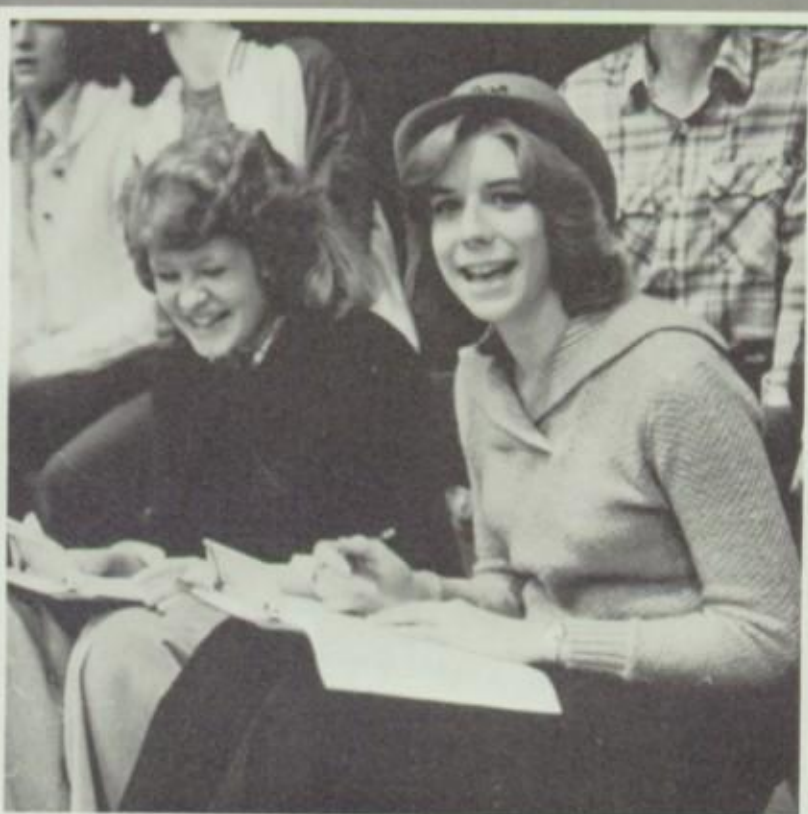

The 1979-80 school year was the first time the new D.E.C.A. program was offered at Eastwood. D.E.C.A. stands for Distributive Education Clubs of America. Fifteen students participated in the club. The students met together for the first two periods of each day and then they were given experience in the type of work they preferred. The class earned approximately \$40,000 in job earnings. Kevin Doll was the president of the D.E.C.A. class. He participated in the Parliamentary Law Contest in which he placed second at districts. He later went on to state where he placed in the top ten. He was interviewed and given a written test concerning how well he knew parliamentary procedure.

On August 29, 30, and September 1, 1979, Senior Sandy Ford participated in Miss Teen USA Pageant. The contest was held for the 124 participants at the Sheraton Columbus Hotel. In the three days she learned songs and dances for the opening and closing numbers. Her talent competition was a gymnastic routine.

PEOPLE

Senior Liz Meyer has been involved with Student Research at the Medical College of Ohio for two years and has enjoyed her experiments with mice and sea urchins. She wrote a scientific paper on fertilization, which advanced to district competition. This experience aids her with her future plans in medicine.

Senior Sue Schott was chosen as Miss J.A. of Northwest Ohio in 1979. Because of her knowledge in Junior Achievement and the business world, she was given this honor. She has been involved in J.A. for three years. She hopes to get enough points in J.A. activities to receive a scholarship which will help her to pursue a career in chemical engineering.

HAPPENINGS

Many EHS students have attended rock concerts, but none like the one on December 3, 1979, in Cincinnati. People who were trying to push their way to get the general admission seats for the "Who" concert found themselves pushed to the floor and 11 were trampled to death by the crowds.

After being held captive for three and one half years in Caracas, Venezuela, Owens-Illinois Executive, William F. Niehous was found and returned to the United States. He was unharmed physically during his ordeal in the jungle but he did lose 44 pounds and his hair grew to his shoulders. His wife and family never gave up hope for his return.

On November 4, 1979, 50 Americans were taken hostage at the American Embassy in Iran. Angry students protested when the American government would not return the Shah for trial. US citizens sent the hostages holiday greetings to show their support.

REMEMBER WHEN . . .

. . . the safety patrol wore those yellow raincoats and hats. . . . Teresa Burnside, Julie Poth, and Deanne Hentges got locked out of their hotel room on the NHS trip to Cleveland at 1:00 a.m. . . . the 9th grade classes saw Romeo and Juliet. When Romeo jumped out of the bed, we had to leave early . . . the 5th and 6th grade girls had cheerleading tryouts and everyone was so nervous about making them, but everyone did. . . . Tracey Harrington found her bed and belongings on the 50 yard line at band camp. . . . during elementary art, Mark Emans sat on a tack and screamed. . . . Starkey's pigs got out and ran around the Webster school yard. . . . Linda Bushman pushed Karen Reitzel's chair and Karen fell on the floor in her dress. . . . Laurie Poggemeyer licked the flag pole during the winter and lost her taste buds. . . . the seniors collected firewood for the bonfire. . . . Brenda Kincaid was in silent reading class in the 5th grade and she pulled the ear plugs on her radio before turning it off.

Senior Denise Ward brought a new idea to the halls of Eastwood for the week of homecoming. Twenty-five senior girls wore T-shirts, each one having a different word from a sentence devised by Denise. The first two senior boys that correctly fit the words into the original sentence won a date with the queen and the senior attendant. The lucky winners were Seniors Greg Dierksheide and Kevin Dewyre. The Student Council again sponsored the homecoming dance but unlike the past, it was a round and square dance. Because square dancing is so popular in the Eastwood area, the dance proved to be a great success. The Rainbow Players from Gibsonburg, Ohio, also played polkas for the enjoyment of all who attended.

Big decision.

The hybrids you plant in the Spring have a lot to do with the yields you bring in come Fall...and with the income you get to report come year end. That's why I think you should plant all Pioneer® brand hybrids. Pioneer has a reputation second-to-none for supplying the seed corn that results in top income per acre. Call me for information on the hybrids that'll work best for you, on your farm, the way you grow corn.

Once again the increased number of ad sales made it possible for the extra touches in the Eastwood Aquila. A sincere thanks goes to all the businesses in the Eastwood District and surrounding areas that have supported us in the past and also to the many new supporters. A special thanks also goes to the entire Aquila Staff and especially Gary Burns, who showed exceptional salesmanship.

Thank you,

Deb Ebka

Business Manager

The 1980 Aquila has been a great challenge and experience. The experience will no doubt be an encouragement toward future challenges. Completing a book which revolves around so many people will hopefully be accepted and respected.

I would like to acknowledge those people who made the book especially worthwhile by showing their concern and effort. Those people I would like to thank are Doris Bockbrader, for her outstanding artwork; Mr. Gerke, the yearbook advisor; Sid Rodeheffer, Jostens representative; and Dennis Walston, photographer. I would also like to thank Kay Reitzel, Deb Ebka, and the businesses and merchants who supported the yearbook financially.
